Delivering the Best in Strategic Information of Textile Industry

- Major trends and game changers affecting the industry
- New market and business contact opportunities to help you grow your business
- The latest innovations in technology, products and materials

WIS gathers key professionals from across the printing and textile industry value chain to deliver the best in strategic information and business networking. We invite you to join us in Guangzhou, China, April 11-12, 2016 for an event filled with outstanding content and contact opportunities. 1st Printing & Dyeing Technology Seminar 2015 begins with sponsor by Kornit Digital and partnership with Inkjet Forum India.

This workshop is ideal for raw material suppliers, manufacturers and converters to help you better understand the needs of your customers in the textile industry. For apparel and fabric manufacturers, this is the perfect opportunity to get new ideas for apparel design and product performance. China Textiles and Garment Sustainability and Fashion Printing Conference 2016 is also the place to form new business relationships and refresh the old; advancing your company’s interests as well as
A variety of sponsorship opportunities are available at this conference:
Reception/Welcome speech/Presentation/Exhibition/Cocktail/Clothing/Documentation bag...sponsor.
