Gig workers to get subsidised health care facilities

In brief

Allahabad Bank gets fresh capital of Rs 12.153 cr from govt

The government has made a fresh contribution of Rs 12.153 crore to Allahabad Bank to ensure compliance with norms.

The money will be infused into the bank through the government-owned Life Insurance Corporation of India.

UP government to host World Merchants’ Summit in Oct-Nov

The UP government said Thursday that it would host a World Merchants’ Summit in October or November.

The event will be attended by government officials, traders, and companies from countries like Canada, and France.

India’s knitwear exports unsustainable, says SAI

According to SAI, the knitwear units produced last year worth around ~25,000-26,000 crore annually, have remained in the red.

Even up to a decade ago, there had been allegations that the factories in Tirupur were exploiting workers, and we expect to see more of this going forward.

What the proposed social security code says

The code seeks to provide coverage to gig workers for medical treatment.

The Centre will not ask for contribution from gig workers, as in other cases.

The official explained that the codes will provide coverage to hospitals and dispensaries where they will be charged discounted rates under the Government Health Scheme. IGOS is meant for the official.

The code provides for medical, cash, maternity, disability, old-age, and unemployment benefits.

Funds for these schemes will come from the Employees’ State Insurance Corporation (ESIC) and the government.

The ESIC provides coverage to gig workers for medical treatment.

The government will frame a scheme to provide funds under the Government Health Scheme.

The Centre will not ask for contribution from gig workers, as in other cases.

The government plans to set aside funds for this purpose.

What you need to know

The codes will not mandate contributions from gig workers.

The Centre will provide funds for this purpose.

The codes will provide coverage for medical treatment.

Fact sheet

Tirupur has around 1,200 knitwear units and 2,600杼 seeds.

Total production in Tirupur is around 150,000 tonnes.

Gross imports and exports are increasing on several quality, operational and fiscal grounds.

End of compliance range

The compliance period is over.

The subscribers of the Pradhan Mantri Van Dhan Yojana, which is now extended to 25 years.

They had argued that any extension would impact the firms, which put a lot of effort to offer services.

The government will take five years to conceive the initiative.

Officers will have equal opportunity based on merit-cum-seniority to become a part of the Railway Board.

Posts will not be fixed based on the officer’s cadre.

The Jharkhand results were below expectations.

We knew it was going to be a tough one as the state has a tendency to change governments every five years.

The government plans to set aside funds for this purpose.

The codes will provide coverage for medical treatment.
