

amfori BSCI System Revision System Manual Document Analysis #Part1: amfori BSCI Due Diligence Approach

1. High-Level information on Changes:

Format

We keep the format the same – the same 4 parts

Concepts

We update the concepts aligning with amfori tools, services, and documents as well as international frameworks and legislations.

Content

We update and change the content to align better with the:

- Due Diligence Framework: OECD, UNGP, EU, and other institutions.
- amfori BSCI Code of Conduct
- amfori Guidelines on Sustainability Platform
- Continuous improvement process and self-assessment tools
- Feedback and comments received along the system revision journey
- Revision with a gender-lens

Note

Small Producer Assessment and Annexes will be updated based on the questions in Part 3.

2. Document analysis:

Content
