

Template 6: Stakeholder Mapping

This template of the amfori BSCI System Manual helps producers to identify potential allies for their continuous improvement. Producers should pay particular attention to identify the institutions or NGOs that could provide support to reintegrate children into society and to protect victims of bonded labour. Producers may use one sheet per stakeholder.

Additional information is available in [Part IV, amfori BSCI Guidelines for Producers Chapter 1: Data Collection and Management](#).

STAKEHOLDER CONTACT DETAILS

Stakeholder name:	<input type="text"/>	
Date relationship began (year):	<input type="text"/>	
Contact person:	First name	<input type="text"/>
	Last name	<input type="text"/>
	Email	<input type="text"/>
Address:	Street number	<input type="text"/>
	ZIP code	<input type="text"/>
	City	<input type="text"/>
	Region	<input type="text"/>
