

# Template 7: Young Workers Data

This template of the amfori BSCI System Manual helps producers to collect and keep accurate information on workers in an age group that requires special protection (e.g. between 16 and 18 years old or age thresholds defined by national law). This information should be verified by the auditor.

Additional information is available in [Part IV amfori BSCI Guidelines for Producers, Chapter 1: Data Collection and Management](#).
